A 物流博览会 邀請函 Silk Road International Logistics Expo Invitation

尊敬的女士 / 先生：

我们诚挚邀请您参加第二届中国（连云港）丝绸之路国际物流博览会，分享国际物流合作新机遇、新商机。

两千多年前，各国人民就通过海陆两条丝绸之路开展商贸往来。从 2100 多年前张骞出使西域到 600 多年前郑和下西洋，海陆两条丝绸之路把中国的丝绸、瓷器等输往沿途各国，带去文明和友好，赢得了各国人民的赞誉和喜爱。2013 年中国提出共建“一带一路”（“新丝绸之路经济带”和“21 世纪海上丝绸之路”的简称）战略构想，得到“一带一路”沿线国家和地区的积极响应和支持。江苏作为中国长三角地区最发达的省份之一，将充分利用经济发展、产业基础、历史文化、科技教育、交通区位、生态环境等比较优势，支持在新亚欧大陆桥东方桥头堡连云港，积极搭建“一带一路”国际物流战略合作平台、江苏对接中日韩自贸区开放平台、江苏丝路国家进出口交易平台，努力为畅通丝绸之路国际物流大通道作出积极贡献。

2015 年 9 月，在江苏省人民政府、中国贸促会、韩国产业通商资源部、哈萨克斯坦投资和发展部、立陶宛交通部等支持下，将以“共建共用连云港出海基地、打造大陆桥经济合作走廊”为主题，举办第二届中国（连云港）丝绸之路国际物流博览会。博览会将按照专业化、品牌化、信息化、国际化原则，强化展示功能，深化交流合作，计划邀请 15—25 个国家和地区、国内 18 省（自治区、直辖市）、国内外 1000 多家规模物流企业、行业协会及其他大型企业参展参会。

2015 年 9 月，让我们相会神奇浪漫之都—连云港！

中国（连云港）丝绸之路国际物流博览会组委会

2015 年 5 月

Dear Sir or Madam:

We are sincerely inviting you to attend the 2nd China (Lianyungang) Silk Road International Logistics Expo to share new business opportunities of international logistics cooperation.

Over 2,000 years ago, people from different countries started business exchanges through Silk Road and Maritime Silk Road. From Zhang Qian's diplomatic mission to Xiyu (the Western regions) over 2,100 years ago to Zheng He's maritime travelling to the west over 600 years ago, the Silk Road and Maritime Silk Road provided Chinese silk and china to the countries along the road. With civilization and friendship, the two roads gained praises and loves over the people of different countries.

In 2013, China proposed to build “One Belt, One Road” (“New Silk Road Economic Belt” and “21st century Maritime Silk Road”) as a strategic conception, which was actively responded and supported by countries and regions along the “One Belt, One Road”. As one of the most developed provinces of China’s Yangtze River Delta, Jiangsu will take the advantages of economic development, industrial foundation, historical culture, technological education, transport location and ecological environment to support Lianyungang which is the eastern bridge head of New Eurasia Land Bridge. Jiangsu will also contribute itself to Silk Road international logistics channel with “One Belt, One Road” international logistics strategic cooperation platform, China-Japan-South Korea Free Trade Zone opening platform and Silk Road national importing and exporting trade platform. In September, 2015, with supports of Jiangsu Provincial Government, China Council for the Promotion of International Trade, Ministry of Trade, Industry and Energy of South Korea, Kazakhstan Investing and Developing Department and Ministry of Transport and Communications of Lithuania, the 2nd China (Lianyungang) Silk Road International Logistics Expo will be held. The theme of this Expo is “Co-construct and Share Lianyungang as a Sea Base, Build Land Bridge Economic Cooperation Corridor”.

With the principles of professionalization, branding, informatization and internationalization, this Expo will strengthen display function and deepen exchanges and cooperation. We will invite over 1,000 logistics enterprises, associations and other large enterprises from 15-25 countries and regions and 18 provinces, including autonomous regions and municipalities in China.

In September 2015, let us meet together in the magic romantic city of Lianyungang!
